NSPSPA, Bucharest

Palace of the Parliament of Romania - "Nicolae Balcescu" Hall

INVITATION

The Faculty of Public Administration of the National School of Political Studies and Public Administration (NSPSPA) kindly addresses you the invitation to attend the International Conference “*The Impact of Europeanization on the Public Administration*” on 25-26 May 2007.

Organised under the aegis of the Ministry of Education and Research, this scientific event will be attended by representatives of remarkable European educational institutions of public administration and management.

The qualitative and quantitative evaluation of the impact of Europeanization on public administration will focus on quality of bureaucracy and governance, conceptualising the „degree” of Europeanization of public administration as synthetic and relevant indicator, as well as the intrinsic link between meritocracy and public service performance.

This conference valorises the experience and expertise of the Faculty of Public Administration of NSPSPA, inscribing within the activity programme of Jean Monnet Chair: „*Studies on Europeanization of Administration and Civil Service*”.

The main themes to be approached will focus on:

- *Europeanization, integration and public administration reform;*
- *Interdisciplinary approaches of the impact of Europeanization on the Romanian Public Administration;*
- *The European Administrative Space – standard of Europeanization of public administration.*

The following events will also be organised:

- *Applicative Session about „Projects proposed by participants in the 7th Framework Programme of the European Union”;*
- *Round table on the topic: „National and European inter-academic cooperation in administrative research. Realities and perspectives”.*

It is a great honour for us to invite you to attend this conference, to present a paper and to participate in the organised debates.

We express our high esteem for all your achievements and activity.

With high consideration,

Prof. Dr. Lucica MATEI

Dean
